Academic Enhancement

In addition to the ESL integrated curriculum in five major academic areas, TPSI's American Cultural Immersion Curriculum focuses on American History, American Geography, American Traditions and American Economics.

Integrated Topics and Themes

| | |
|---------------------|---|
| American History | Explore America's history through activities about U.S. Presidents, the American Flag, inventions, historical facts and more! |
| American Geography | Discover big cities in America, regional characteristics, diversity and local climates. |
| American Traditions | Experience American holidays, popular sports, and varied religions. |
| American Economics | Learn about American currency, the productions of goods and services, and major U.S. companies like Apple. |

Adapting to Student Life in America

As part of preparing TPSI students to succeed in American schools, we introduce essential components of the U.S. education system and American lifestyle.

| | |
|-----------------------------------|--|
| Community Service/ Volunteer Work | Understand and experience the value of actively participating in the community around you. |
| Student Clubs | Introduction to developing leadership skills through involvement and participating in student clubs and activities. |
| American Life | Experience the American way of life, explore American customs and share in American culture. |
| University Tours | Our university tours provide excellent opportunities for international students to be guided by admissions officers who provide a broad overview of the university, academic programs and extracurricular opportunities. |

Program Activities

Our commitment is to help students integrate to their new surroundings. As such, **ACTIVITIES** are an integral part of the Twinn Palms Summer Institute (TPSI) experience. We offer an array of organized activities in each individual campus, which are group-led activities on weekdays and **FIELD TRIPS** on weekends.

Due to our strategic locations, students can experience the thrilling rides at **DISNEY WORLD®** in Orlando, or enjoy movie-star spotting in **BEVERLY HILLS**, California. TPSI strongly emphasizes the beauty and ethnicity of each city and encourages students to be part of its cultural mosaic.

In association with Open Hearts Language Academy (OHLA) our ESL curriculum is accredited by The Commission on English Language Program Accreditation (CEA) and the American Association of Intensive English Programs (AAIEP).
