READING, WRITING, LISTENING, SPEAKING & GRAMMAR.

Our commitment is to help students discover and experience their surroundings. As such, activities are an integral part of our Educational and Cultural Summer Camps. We offer an array of organized activities in each city which are group-led on weekdays and weekends. Our strategic locations enable students to discover sights such as the **movie star spotting in Beverly Hills**, California, the **Florida Everglades** in Miami, and the **magical theme parks of Orlando**.
