## Program Activities

Our commitment is to help students integrate to their new surroundings. As such, **ACTIVITIES** are an integral part of the Twinn Palms Institute Summer ESL Immersion Program experience. We offer an array of organized activities in each individual campus, which are group-led activities on weekdays and **FIELD TRIPS** on weekends.

Due to our strategic locations, students can experience sites such as the **FLORIDA EVERGLADES** in Miami, to movie-star spotting in **BEVERLY HILLS**, California. The program strongly emphasizes the beauty and ethnicity of each city and encourages students to be part of its cultural mosaic.
